For Public Counsel's [Guide to Forming a Charitable, Tax-Exempt, Nonprofit Corporation in California](http://www.publiccounsel.org/cdp/npincorp_guide.pdf), visit www.publiccounsel.org/cdp/npincorp_guide.pdf.

I. FORMING A NONPROFIT CORPORATION

A. Choose corporate name.

1. Check with Secretary of State if proposed corporate name is available.
 - i. For California Corporations Name Availability page, see www.sos.ca.gov/business/corp/corp_naav.htm.
2. Reserve corporate name with Secretary of State (optional).
 - i. For Name Reservation Request form, see www.sos.ca.gov/business/corp/pdf/naavreservform.pdf.

B. Prepare and file Articles of Incorporation with the Secretary of State

NOTE: Forming the corporation by filing the articles of incorporation with the Secretary of State starts the clock running on the deadline to file for federal tax exempt status retroactive to the date of incorporation. The preparation of the tax exemption application can sometimes be delayed or take much longer than originally expected. For that reason, clients and volunteer attorneys should strongly consider waiting to form the corporation until either (1) the organization is commencing operations or incurring liabilities such that there is a need to be operating in corporate form or (2) the organization has completed, and is ready to file, its federal tax exemption application on IRS Form 1023.

1. For an overview of California Nonprofit, Nonstock Corporations, incorporation instructions and official sample forms of Articles of Incorporation, visit www.sos.ca.gov/business/corp/pdf/articles/corp_artsnp.pdf.

C. Complete organizational documents of nonprofit corporation.

1. Prepare Bylaws. See sample form of Bylaws ([annotated form with explanatory notes](#)) ([text of form - can be edited for your use](#)).
2. If initial directors not named in Articles, incorporator must elect initial directors and resign. See [sample form of Minutes of Incorporator and Resignation of Incorporator](#).
3. Prepare organizational minutes of Board of Directors. See [sample form of Minutes of Action of Board of Directors](#).
4. Complete and file Statement of Information by Domestic Nonprofit Corporation within 90 days after filing of original Articles of Incorporation. For instructions and sample form, see www.sos.ca.gov/business/corp/pdf/so/corp_so100.pdf.

D. Apply for an Employer Identification Number (EIN). For information and instructions on how to apply online or by phone, see www.irs.gov/businesses/small/article/0,,id=97860,00.html.

E. Register with the Attorney General's Registry of Charitable Trusts within 30 days of initially receiving/accurring assets, even if a required document is not available at that time. Attorney General will request that any missing document be submitted later when it becomes available.

B. Complete and submit California forms.
